Re: Youth camp license issuance - Heron Landing (Residential), 2025 season

Dear Mr. Brennan:

The Bureau has completed its review of the camp's application for the 2025 season. The license is issued without conditions. The Bureau reminds all licensed camps that aquatics sign-off duties should be reviewed against the camp's written credential standards as part of spring staffing.

This license authorizes operation of a residential youth camp at Heron Landing, Fort Brennon, AV, for the 2025 season, including the camp's waterfront program under the supervision ratio of 1:25 stated in the camp's written safety plan. The license is conditioned on continued compliance with the licensing regulations and the camp's own written standards.

The license certificate is enclosed and must be posted at the camp office.

Respectfully,

Gerald R. Fenn
Chief, Bureau of Youth Camp Licensing
