

Corrigwell Waterfront Zones and Buddy Board Layout

Scale: approximately 1 inch = 20 feet. Swim areas are bounded by buoy lines; depths are posted at each boundary. Drawn for the 2026 season.

Legend

- Shaded rectangles: swim areas by classification band (nonswimmer / beginner / swimmer).
- Green blocks: lifeguard stands (1:25 supervision ratio maintained per rotation).
- Buoy lines mark area boundaries; depth posted at each boundary sign.
- Buddy board at the entry gate: tags move in pairs; counts reconciled every 15 minutes.

Posted at the buddy board desk and the site office. Emergency equipment locations per the Emergency Action Plan.
