Measurement Sheet

This sheet is the yard's measurement record for the above vessel, prepared for the Chaldale Harbor District under its documentation standard (Resolution 2022-06 section 4.3).

Measurement date	2025-06-29
Length overall (LOA)	35.8 ft
Load waterline (LWL)	31.2 ft
Beam	11.4 ft
Draft	5.9 ft
Method	Measured on the hard in Yard Bay 2 with the yard's certified 50-ft steel tape, plumb from bow eye to transom centerline; tape checked against the yard standard before use.
Measured by	C. Ansel, Yard Measurer
Yard foreman	W. Bricker

Invoice Summary

Item	Amount
Haul/launch 35.8 ft @ \$11.50/ft	\$411.70
Stands and blocking, 4 days	\$96.00
Bottom wash and scrape	\$185.00
Survey support (yard space)	\$60.00
Measurement sheet and certification	\$45.00
Total	\$797.70

Yard Notes

Hull sound below waterline; two small blisters ground and faired at owner's request (no charge, goodwill). Owner asked that the measurement sheet go directly to the Chaldale Harbor District moorage counter for his length amendment; sheet mailed 2025-06-30 with a copy to the owner.
