MOORAGE COUNTER -- DAY LOG

Entries in ink, in real time, with time and initials. Corrections by single line-through, initialed. (Standing Order 15-3 s.5.1)

DATE STAMP: ~~05 SEP 2024~~ T. Yaren on from 12:30; G. Fjell monthly register review.

Weather: Clear, light NW. Counter open 08:00.

TIME	INIT	ENTRY
08:10	RD	Overnight: gate at Gullwing north found propped 06:50, closed and checked cameras -- no entry shown. Security note to ops.
08:50	RD	Worked VB-0208 (32' covered). Offer seq: WL-02204 declined-prior-offer (OFR-2024-0301, expired June). Offer printed for WL-02291.
09:25	RD	WL-02291 phoned before letter arrived -- neighbor told her slip coming up. Told her window runs from letter date, 10 days covered.
10:15	PC	Keyed amendment for WL-02401: LOA 31.2 -> 31.7 ft. Source: measurement certificate this office, measured at dock 09/03 (PC witnessed). Filed with applicant record.
10:18	PC	Also keyed beam 10.6 -> 10.8 ft same applicant, same certificate (MC-2024-0091).
11:40	RD	WL-03390 at counter about June offer -- says he never got the letter. Showed him the offer copy and the expired window. He will think about retainer.
12:30	TY	Took over counter. Till counted with RD.
13:15	TY	Foldview dropped off haul-out paperwork for OTTER ROCK (WL-02087) -- haul 09/12 booked. Gave them the measurement sheet form.
14:00	GF	Monthly register review for August: amendment extract checked against day logs. All rows matched to a session. Initialed extract.
14:45	TY	Worked SB-1120 (45' open). WL-02566 skipped (vessel-fit, 47.3 ft of record). WL-02590 skipped (preference-mismatch). Offer to WL-02612 mailed.
15:55	TY	Offer acceptance: WL-02291 in person, accepted VB-0208. Agreement packet started; check-in measurement set for 09/09 08:30.
16:25	TY	Day log closed.

End of day -- log closed and countersigned. Page(s) filed in the day-log binder at the counter.
